Please read the email below. Let's not obsess on the fact that they are giving us very little notice and move forward with trying to see if we can find a time next week for this call. They want to discuss the ELC closeout, ELC-ACA activities and performance measures. I think it is important that all of you be on the call. We need Ann for the budget questions. I will handle the Epi sections, Linda Han (or representative) for the lab, Dina and/or Gillian for the HIS, and Eileen for HAI. HIS and HAI got a lot of money so those sections will need to be represented.

Unfortunately the only times I can do it next week in the times they have proposed are the following:

Tuesday from 3:00-4:00
Thursday from 12:30-1:30

Let me know if either of these times will work.....

Hello Ms. Kludt,

My name is Wayne Brathwaite, a new ELC Program Advisor who has been assigned to your state (transitioning from Sandy Browning). Sometime between September 13th and 16th, I would like to schedule a one hour call to discuss your ACA performance measures and other items that Alvin Shultz referenced in the e-mail "**ELC News including new staff and upcoming communications**", dated 26 August 2011. Specifically:

Finally (and we hope to complete this by the end of September) the ELC Program Advisors will be working with you all to schedule approximately one-hour telephone conference meetings. While these meetings will be an opportunity to discuss any topic on your mind, we want to be sure to address the following three items: 1) closing out your existing ELC project period 2) discussing your ELC ACA activities and progress and 3) providing feedback and listening to your input on performance measures.

While this e-mail is addressed to you because you are our day to day contact, we welcome Dr. DeMaria if he would like to join our discussion.

The best dates/times for our schedules are:

Tuesday, 13th 11:30am to 12:30pm; 3pm-4pm

Wednesday, 14th 9:30am to 3:30pm

Thursday, 15th, 9:30am to 1:30pm

Friday, 16th, 12:30pm to 2:30pm

At your convenience please let me know what times you have available for our call.

Thanks in advance.

Wayne S. Brathwaite
